

About Us

Since 2006, Alabama Non-Profit Housing, Inc. (dba Southeast Non-Profit Housing) has been committed to providing safe, sanitary, and affordable housing to farm workers and their families. Throughout our rich almost 20-year history, we have grown our operations and services outside of Alabama to Georgia, Tennessee, South Carolina, North Carolina and Virginia. With experience in developing housing to providing financial literacy programs, our focus will always be in our local communities at the heart of our country.

Providing safe and affordable housing

On Farm
Housing Grant Program

On-Farm Housing Grant Program

With grant funds provided by the U.S. Department of Labor under the Workforce Investment & Opportunity Act (WIOA), Southeast Non-Profit Housing will provide financial assistance to farmers and growers who wish to upgrade and/or improve their farm labor housing.

Eligible Projects

The program is limited to farmers and growers who own existing farm labor housing that is in need of repairs and upgrades that will have a direct impact on the safety and health of farm workers.

Typical Examples

- Bathrooms and plumbing systems
- Kitchens and replacement of appliances
- Electrical heating and air condition systems
- Interior walls, floors, ceilings, doors, windows, and other major structural components
- Roof

Financial Assistance

\$\$\$\$

SENPH will provide a matching grant up to \$7,500 to eligible farmers and growers to repair and upgrade their existing farm labor housing. Farmers must agree to provide a matching financial amount or equivalent amount of \$1 for every \$1 provided by SENPH.

How to Apply

1. Schedule an initial inspection with SENPH staff.
2. Complete and sign the On-Farm Housing Grant Application. Complete Detail Work Write-up of work to be completed.
3. Sign the On-Farm Housing Grant Agreement. Agree to complete the work by completion date.
4. Notify SENPH when work is complete to schedule final inspection.
5. Submit all invoices and receipts to SENPH.
